

Block of the Month Filler Blocks

Wave Setting – Make fourteen 4” filler blocks. (hint use triangle blocks like a pinwheel for movement in the quilt)

Gypsy Setting – Make no more than 10 blocks total. Mix of 4” and 6” blocks.

Traditional Setting – Make block sets. Each set is the same block pattern.

6” block set of three

6” block set of two

6” block set of two

4” block set of three

4” block set of three

4” block set of three

4” block set of two

3” block set of two

This is a good time to spread out your fabric choices to help balance the use of your colors. If you have a dark color in little bits of your previous blocks, use it in your filler blocks.

The filler blocks are of your choosing like making the four patch or pinwheels. Google 6” quilt block instructions or you can use Quilters Cache
<http://www.quilterscache.com/QuiltBlocksGalore.html>

I like the Star of Destiny and Mini Tic-Tac-Toe (combination of a nine patch and shoofly blocks.)

Please plan to have your filler blocks done prior to the May workshop.
