

Block Of the Month, Stash Sashiko

This is the second block of the SASHIKO stitching series of the BOM. I have used the style of sashiko stitching called "HITOMEZASHI" on this block and I encourage you to experiment with the different stitches sashiko style of stitching

FABRIC REQUIREMENTS: Use up all of the remnants from your first two blocks and add any other coordinating fabric should you need to complete a 11 1/2" x 11 1/2" block.

TIP:

If you are not into hand sewing, (Oh the horror!!) here is an alternative..... Sew a special piece of fabric, such as a border, strips of fabric, fussy cut pieces or any other piece that would go well with the rest of the fabric you have selected for the project. The idea is for the surrounding fabric to highlight the center block by sashiko stitching or an alternative.
