Handmade / Hand Quilted	Pieced	Applique	Pictorial	Art
All entries in this category must be completely hand-done.	Piecing is the term used to describe the act of assembling and stitching fabric together, by hand or by machine. It can be as simple as sewing squares together or as sophisticated as a Millefiori quilt. This can be paper pieced, strip pieced, or English paper pieced to name a few.	Quilts in this category can be appliqued with any applique technique.	Create a wall hanging of anything you find inspiration in, such as a photo, a drawing, or something you see around you.	An art quilt is an original design born from a concept or an idea rather than the traditional method of using a pattern. One may use, paint, texture, fabric manipulation, hand stitching, and thread to create an original work of art.

<< NO SIZE OR SHAPE RESTRICTIONS. LIMITED TO 3 ENTRIES PER PERSON ACROSS THESE CATEGORIES. >>

Upcycle Project – New Category!

- ▶ We are looking for creative ways of reusing materials to make a dent in the huge wastage that occurs just in the garment industry alone. This category will show how traditional quilt-making skills using recycled materials can create something equally beautiful and useful as a quilt. Must use at least 75% recycled materials. **The project may be a quilt or non-quilt such as** garments, bags, baskets, and rugs. NO t-shirt quilts. Be creative and unique! No size, or shape restrictions.
- ▶ **A label to identify the owner of the item, a write-up of 50 words or less, and a PHOTO of the original item(s) used in the project will be required.**
